

Enrolment Policy for Corpus Christi Primary School Special Class for children with Autism Spectrum Disorder.

The decision to provide a special class for children with a diagnosis of Autistic Spectrum Disorder in Corpus Christi Primary School was taken by the Board of Management of the school in July 2019. The decision was taken with a view to providing an education in a mainstream setting for children who have an Autistic Spectrum Disorder and who fulfil the enrolment criteria. The decision was taken primarily to cater for children resident in the parish of Moyross. The Board of Management notes that it is open to any primary school to set up such a class.

Corpus Christi Primary School is a mainstream co-educational primary school with 2 class groups at all class levels and with an enrolment of approximately 330 pupils. Corpus Christi Primary School has a Catholic ethos under the patronage of the Bishop of Limerick.

The ASD classes at Corpus Christi Primary School are classes for children with ASD, who have been recommended for access to an ASD class in a mainstream primary school. It is an imperative that these children have the potential to integrate into a mainstream, age appropriate class. All placements will be reviewed annually, in order to ensure that the placement continues to be appropriate for each child. The maximum class size is 6 pupils. Access to speech therapy, occupational therapy, physiotherapy etc. will be dependent on local H.S.E. services. Supports will also be provided by our Consultant School Clinical Psychologist and our resident Assistant Psychologist.

Our Aims

We aim to offer a positive meaningful educational experience, which allows the child to develop to his/her full learning potential in an environment that offers clarity, predictability and calm.

Our ASD class offers an autism specific learning environment within a mainstream co-educational national school. This setting facilitates optimum inclusion in mainstream education, as part of the school community as appropriate, with regard to levels of general learning disability, resources and suitability for such inclusion.

We wish to provide a broad curriculum which focuses on the abilities and strengths of each child, while supporting their areas of need.

Application Procedure for Enrolment

1. Enrolment Application Forms for the ASD Class will be accepted until the closing date for submission of enrolment applications which is the 1st February annually. All applications will be placed on a Waiting List in order of the date of receipt of completed Enrolment Application Form for the ASD Class. Applications received on or before this date, will be acknowledged within one calendar month of the closing date for the submission of applications.

Requests for Enrolment Application Forms for the ASD Class and queries regarding supporting documentation should be made to: The Principal, Corpus Christi Primary School, Moyross, Limerick. Telephone: 061-455166. *Receipt of acknowledgement of an enrolment application by the school does not constitute an offer of a place, nor does it not guarantee a place in the school. It is simply the recording of an application for admission to our school. Decisions in relation to applications for enrolment are made by the Board of Management in accordance with our enrolment policy.*

The Enrolment Application must be accompanied by all of the following supporting documentation supplied by parents:

- A copy of both Baptismal Certificate (if applicable) and a birth certificate to the school.
- A diagnosis from a psychiatrist, psychologist or a member of a multidisciplinary team that has assessed and classified the child as having ASD and a recommendation for access to an ASD Class within a mainstream school.

2. All applications received by the closing date will be considered by the Admissions Team. Late or incomplete applications will not be considered. The team will include the School Principal, Special Needs Coordinator, Assistant Psychologist, Special Class Teachers and our consultant Clinical Psychologist Dr. Declan Aherne. The Admissions Team may seek the advice of the school's allocated NEPS psychologists.

The function of the admissions teams is to:

- Ascertain how many places are to be filled in the ASD Class. The maximum number of pupils in the class will be 6 pupils.
- Review all applications and all documentation relevant to a child applying for a place in the ASD class.
- Verify the class's suitability in meeting the needs of the child.
- Verify that there is a recommendation from a psychologist for access to an ASD class in a mainstream school.
- Verify the suitability of the child for potential meaningful integration in an age appropriate mainstream class.
- Verify that the child is 4 years old on or before September 1st on the year of enrolment.
- Identify qualifying applicants with reference to these criteria.
- Prioritise each qualifying applicant with reference to selection criteria (Point 3 below).

- To make a recommendation based on these findings to the Board of Management.

The Board of Management is responsible for and must respect the rights of the existing school community and in particular the children already enrolled. The Board of Management has the right to endorse or overrule any decision made by the Admissions Team. In particular, the Board of Management reserves the right to refuse enrolment if they believe the school cannot meet the needs of a particular child.

3. In the event that the number of children that apply for a place is greater than the number of places, such places will be filled on review of Enrolment Applications received in the following order of priority:

- A. Children meeting criteria currently enrolled in the school.
- B. Applicants with siblings currently enrolled in the school, including step siblings residing at the same address.
- C. Children residing in the community.
- D. Children of staff members.
- E. Random selection (independently verified).

4. All unsuccessful qualifying applicants will be placed on the Placement List, in accordance with the above criteria for places that may become available. All unsuccessful applicants have a right of appeal under Section 29 of the Education Act, 1998 within 42 days from the date of the decision by the Board of Management. The Placement List is valid for vacancies which occur in the current school year only. All applications will be reviewed with reference to the selection criteria each year.

5. Parents who are offered a place must accept in writing their child's place within 7 days of receipt of their child's letter of offer. If the school does not receive a letter of acceptance within the 7 day period, the place will be offered to the next child on the Placement List for that school year.

Pupils Transferring

Pupils may transfer to the ASD class during the school year, subject to availability of places. Pupils transferring must enter the same class level that they are leaving, and have the necessary diagnosis and recommendations as outlined above.

Placement

1. After placement in the class, a relevant Individual Education Plan (IEP) will be provided for the child. This plan will have an input from all parties involved with the education of the child. The ASD Class teacher is only obliged to produce one IEP per school year. It is up to the professional opinion of the teacher involved, if the IEP needs to be updated more frequently.
2. Each child in the ASD class will be assigned to an age appropriate mainstream class for integration purposes, provided that this is in the best interests of the child, while having due regard to the educational benefit of all pupils enrolled in

our school. Every opportunity will be used to promote inclusion in mainstream classes, provided the child is ready for this step and has the necessary supports in place.

3. A review will take place at the end of the child's first year, to assess whether the child's placement is appropriate.
 - The review will be carried out by school staff with parental involvement.
 - The outcome of the review will be examined by the Board of Management.
 - If in the event that a placement is inappropriate, the school will liaise with appropriate agencies in an effort to obtain a more suitable placement.

Behaviour

It is accepted that children with special educational needs may display difficult, defiant or oppositional behaviours. All efforts will be made by the school to manage such behaviour, using various strategies and through the implementation of the child's IEP. Where a child's behaviour impacts in a negative way on the other children in the class, to the extent that their constitutional right to an education is being interfered with as judged by the Board of Management of the School, the school reserves the right to advise parents that a more suitable setting should be found for their child.

Discharge

It is school policy to facilitate the discharge of pupils from the classroom, once they have reached the end of 6th class. The onus will be on the parents to negotiate the placement with a suitable secondary school. Corpus Christi Primary School will facilitate all transfer of records/reports, as well as assist with any information required with regards to the student and Corpus Christi Primary School will be deemed to have authority to forward all relevant reports and assessments to the Secondary school, unless specifically instructed in writing not to do so.

Discharge may also be recommended after the first and/or any subsequent year, if following psychological assessments and consultation with the parents/guardians, it is felt that the placement is no longer appropriate and serves the best interest of the child. The Board of Management has the right to overrule any decision made in this regard.

Review

This policy will be reviewed annually.

Evaluation

The Board of Management will monitor the implementation of all aspects of this policy. This policy will be amended and updated as required.
